Dear Parents,

We at Central Modern School envision an educated India, an India where every child has access to not only basic necessities, but also comprehensive and holistic education that will help every child to grow and live a life of esteem and affluence.

Through the years, Central Modern School has nurtured thousands of bright young minds, and have moulded naughty young children into hard-working, successful professionals who have spread out all across the globe carrying through our school's motto "Learning for Liberation".

Recently, the education industry and Central Modern School family have suffered an insurmountable loss with the sudden and untimely death of our Principal and Chairman Mr. Nabarun De. His dynamism and vision holds fast in our esprit de corps.

In the wake of the global pandemic caused by the spread of the Novel Corona Virus, our institution is faced with unexpected predicament. Keeping in consideration the well-being of the students and to offer respite to parents, the school had, even before any proceedings at the wants, rolled back its fees to that of the academic year 2019 – 2020. We would like to thank the mindful and thoughtful 29% of our parents who have obligingly cleared the fees due till December, 2020. We request the parents who are yet to clear the dues to do the needful before the winter holidays.

The school has already stretched its means to continue with the teaching-learning process and have been upgrading it continuously. We hope for your spontaneous co-operation such that we can keep the flame of education burning and brightening the face of every student and stakeholder of CMS family.

Your well being and health is always in our prayers.

Sincerely yours,

  
Vice Principal
